Finding Happily

Dating & Relationship Coach

Collette Gee is a Relationship Coach, Author and Speaker that has helped thousands of people create and sustain meaningful relationships. After being married and divorced, then back into a meaningful relationship, Collette realized that “Happily Ever After” wasn’t an ending, but a journey. Inspired to help others discover where real love resides, she began her coaching business, showing people how to truly find their happily. Her mission is to teach people how to love harmoniously and successfully.

Prior to Collette’s coaching business, she spent several years working as a healthcare professional in the mental health industry. Because her passion is helping people, she also actively volunteers for: Peace Over Violence and the Emerging Leaders Academy. Collette is also the author of a new relationship book called: “Finding Happily...No Rules, No Frogs and No Pretending” (available on Amazon). She’s a regular Huffington Post Contributor and has recently appeared on the TLC network new series, ‘Strange Love’ as the expert Matchmaker and Dating Coach. In her free time, Collette enjoys traveling, and spending time with her husband, her four children, and grandchildren.

Finding Happily

No Rules, No Frogs and No Pretending

Collette Gee helps woman take dating and relationships to the next level in her new dating book. Finding Happily: No Rules, No Frogs and No Pretending. Published by Less is More Press LLC, 2016.

Synopsis: After Collette found herself in another failed relationship she began reading every dating and relationship book on the market. She researched lessons on how to make it past the first date, what to say and not to say, how to dress, and when and how to ration out the first kiss. Book after book were filled with instructions on how to be, and how not to be. The more she read and compared notes, the stronger the question became: When is it okay to stop pretending? Do women ever get to just be themselves?

In this cutting edge book called Finding Happily. No Rules, No Frogs, And No Pretending. Relationship Expert Collette Gee reveals the true meaning behind living happily ever after. "Most dating and relationship books inadvertently advise women to follow every tip and trick out there in order to live happily ever after," says Collette. "But, the truth is, when it comes to dating and relationships happily ever after is not an ending, it's a journey."

Skills/Knowledge

Holistic Coaching: A specialty within coaching, holistic coaching focuses on creating love within and surrounding the whole individual, using techniques such as Energy Alignment to reconnect with Spirit (Spiritual Aspect), lighten emotions (Emotional Aspect), expand perspective and creativity (Mental Aspect), and see what is abundantly available (Physical Aspect). When all four aspects are in alignment, one can experience a sense of love and wholeness; gaining great self-awareness and appreciation for renewed balance, health and vitality for a fulfilled life.

Violence Prevention Specialist helps create healthy relationships, families and communities free from sexual, domestic and interpersonal violence in an effort to raise societal awareness about these issues, as well as to provide concrete tools for reducing the incidence of interpersonal violence by replacing it with healthy, productive relationships.

Certified Neuro-linguistic Programing: NLP is the study of excellent communication-both within your self, and with others. NLP stands for Neuro-Linguistic Programming. Neuro refers to your neurology; Linguistic refers to language; programming refers to how that neural language functions. In other words, learning NLP is like learning the language of your own mind. NLP is not only a set of tools and techniques, it is so much more than that. It is an attitude and a methodology of knowing how to achieve your goals and get results.

Writer/Blogger: Online Blogger for Find Your Happily blog and Huffington Post Blog. Shares thoughts, opinions and expertise around dating and relationships in the 21st century.
