

COLLETTE GEE

Dating & Relationship Expert and Author

ABOUT COLLETTE

Collette Gee is a dating and relationship expert, former psychiatric nurse, and certified Violence Prevention Specialist with advanced training in Leadership Development and Neuro-Linguistic Programming (NLP). She has spent more than a decade teaching individuals and couples how to build emotionally healthy, harmonious relationships grounded in authenticity rather than performance. Collette is a sought-after speaker and the author of multiple books and articles on modern love, including the forthcoming second edition of "*Finding Happily... No Rules, No Frogs, No Pretending.*"
